FCCLA Fun Facts

How much do you know
about FCCLA?

What is the Name of this
years FCCLA National
President?

What is the state goal
focus in this month's
newsletter?

How many purposes
does FCCLA have?

Fall Leadership

This year Fall Leadership was held on Oct. 5-6 in Provo, Utah. We had 2 amazing keynote speakers, Darin Adams and Brooke Walker, both from Studio 5. They both taught us terrific leadership skills. In addition to these speakers, attendees also went to workshops about their position as an officer as well as 3 other informational workshops. We finished up the conference with an etiquette dinner. Everyone had a great time! Thanks to all those who came!!!

2011-2012 State goals

Membership: Utah FCCLA would like for every Chapter to increase their chapter's membership by 15 new affiliated members! Here are some ideas to accomplish this goal...

- Hold activities where members get prizes or are entered into a raffle if they bring a friend along.
- Offer a prize to the officer who can recruit the most new members.
- Have teachers and advisors promote FCCLA in a classroom setting, as well as incorporate FCCLA competitions into their curriculum.
- Think of the students coming in from elementary or middle school and have your chapter somehow get involved with them so they are already aware of FCCLA before they reach the middle school/high school level of your chapter.
- Officers need to make an effort to remember names and SMILE! Always speak with excitement and pride when talking about your chapter! Enthusiasm is contagious!

Chapter Highlights

In this section we will feature different activities that the chapters are doing.

Chapter VP of Public Relations, e-mail Savannah Allmon at savannah.allmon@gmail.com when your chapter does an amazing activity that you want to share.

This month we are featuring Grand County High School.

Here is what they did: We have been working on gaining more funds so we can travel to things like Clusters and also we have been working with our senior citizen home and local pound as community service.

Buy your state FCCLA t-shirt today!

Price: \$10.00

Buy one for yourself!

Great for chapter t-shirts!

On sale on the FCCLA state website!

Way to go Grand County High School. Your Members Are amazing!! Keep it up!!

Quirky things about the State Officers

Craziest thing that I have ever eaten

- Ashley Labrum -- Chocolate Covered Crickets
- Katherine Hanzel -- Fried squid
- Juniper Roman -- deep fried strawberry
- Kyle Andrews -- escargot. (fried snails)
- Brandi Orr -- maple syrup with ants in it! We didn't
 see the ants until it was too late!
- Dawson Johnson -- pickled cactus
- Savannah Allmon – calamari (octopus)

A special thank you to all of our chapter and state advisers for making Fall Leadership a great experience for all of Utah FCCLA!!!!

We appreciate you!!!

Area Member Spotlights

Area 3 -- Wiley Sheldon --

He is our only boy but is toughing it out. He has been coming to everything and stays involved and is trying to recruit more guys! Wiley Sheldon joined FCCLA because he thought it would be fun and because his older brother did it when he was in High School. Also the Officers last year kept telling him to join because they wanted him to. He likes to Play Soccer and he likes hanging out with friends!!

Area 4—Sydney Edwards --

She's loving, caring, outgoing and always there to help! She joined FCCLA because of her friend Ashley Labrum! Ashley Labrum needed a friend and Sydney was the one! Sydney does not have a favorite movie, she likes all of them so she is a "Movie Freak"

Start working on your
S.T.A.R. Events!!
