

Utah FCCLA

Mission Possible: FCCLA Week!

FCCLA Week is the perfect time to get your chapter involved, recognize their achievements, and get the word out about FCCLA. We want your schools and communities to know about what great things FCCLA members are doing! This is a great opportunity to be heard, and get recognized. Get excited, it is coming up February 7-13! Here are some ideas..

• Monday: Recognize members with buttons or bulletin board dis-

plays

• Tuesday: Make a local radio show appearance and discuss local chapter activities.

• Wednesday: Have members wear FCCLA t-shirts

• Thursday: Sponsor a school wide community service project - raise money to donate to a charity; host food drive, etc.

• Friday: Host a popcorn and movie party for members

More Ideas:

• Create daily school announcements with FCCLA facts and local chapter facts

• Put posters around your school to promote FCCLA

• Send photos and articles highlighting your chapters achievements to your local newspaper

• Be Creative! Get the word out any way you can

Are you ready for the Ultimate Leadership Experience?

Utah FCCLA's State Convention is coming up March 24-25. This will be an amazing experience, as always. Your state officers have some great things planned! This will be a great time to network, and associate with members of FCCLA from all across the great state of Utah. And who knows, maybe

you'll even be selected to travel to the National Leadership Conference through your Star Event! Keep polishing them up, and get ready for tons of fun. Also, those of you thinking about running for State Officer next year, don't think twice. It is the most amazing experience you'll ever have! But of course, that is

not the only way to get involved in FCCLA! The state officers would be lost without our wonderful Chapter Officers! Just being a member is also an incredible experience. Being involved in FCCLA in any way you can will change your life for the better! Get ready for the time of your life!

If I have the belief that I can do it, I will surely acquire the capacity to do it, even if I may not have it at the beginning
