

AREA ACTIVITIES

Area 1

For Area 1 activity on Thursday, October 24th, area 1 went to Black Island Farms in Syracuse! Black island farm has 3 corn mazes and a court yard with fire pits and slides. There was a fire pit, donuts and hot chocolate for everyone to enjoy! Schools that showed up were: Fremont, Ogden, Bonneville, Box Elder, Highland, Layton, West, Northridge, Davis, and Syracuse. Many members had fun going through the corn mazes, eating donuts, going on the slides and talking to others across the state.

Area 3

For Area 3 area activity they went up to Thanksgiving Point and did the Corn Bellies corn maze. Members could also participate in team building activities and a trivia question game about the national programs. They got one hint at a time and if they guessed the answer they had to come up with a project they could do for that program. Then members got served Pizza & Hot Chocolate. The schools that attended we're: Carbon High, Brighton High, Pinnacle High, Monument Valley High, Jordan High, Emery High, Hillcrest High, North Summit High, Helper Jr. High, and Mont Harmon Jr. High

Membership Campaign

As a state, we wanted to reward all of the efforts you do to recruit members. We call it the 7-UP Campaign. Those chapters that increase their membership by 7 members or more as of last year will be rewarded a 7-UP party pack at state. And as an extra incentive, the chapters that meet this membership goal will also be rewarded with special access to an after party on the last night of state. I hope to see all of your chapters there that night! Thanks for all your hard work you do for FCCLA. and have a great week.

Area 2

Area 2 went to All Star draper. There were arcade games, laser tag, bumper cars, and a pizza buffet. Members were able to get to know the state officer and other members from area 2. Over all members had a great time!

Area 4

Area 4 activity took place at Orem, Classic Skating Center from 4 to 6. Six Schools from area 4 made cookies for area 4's activity. The schools were: Westlake, Provo, Lehi, Lone Peak, Timpanogos and Pleasant Grove High Schools. Along with the cookies members could get a free meal with a selection of a Pizza and a Fountain drink, hotdog with chips and a fountain drink or nachos with a fountain drink. Members got free skates but if they wanted roller blades they had to pay 3 dollars. To get in they had to donate canned food or pay a dollar. Area 4 had around 200 members come; there were 20 different schools there. The donated canned food was taken to the Food Bank.

STAR Events (Students Taking Action with Recognition) are competitive events in which members are recognized for proficiency and achievement in chapter and individual projects, leadership skills, and career preparation. STAR Events offer individual skill development and application of learning through the following activities:

Cooperative – teams work to accomplish specific goals

Individualized – an individual member works alone to accomplish specific goals

Competitive – individual or team performance measured by an established set of criteria.

We challenge all of our members to plan and participate in a STAR event this year. Talk to your local chapter Adviser or go to the Utah FCCLA website for more information.
