Culinary Arts & Baking/Pastry Competitions	○ **Both the Culinary Arts and Baking & Pastry competitions will be held at Salem Hills High School on January 25th (subject to change). Competition time will be determined once we know who is competing.** ○ Culinary Arts & Baking/Pastry competitions are run as individual events, not teams. State competition will follow the guidelines for the national competition. ○ Each chapter is allowed **two individual competitors for Culinary Arts, and one competitor for Baking and Pastry.** ○ All students competing in these events at region will take an industry assessment on January 28-29. ○ **All competitors must be accompanied by an adult (parent or adviser). This includes students that are 18.** ○ The top two scores per region will advance to state. ○ In the case that not all regions statewide have two participants to advance, the top test scores across the state will be used to select an alternative to fill the spot to compete at state. ○ Advisers who plan to have competitors in these events should make sure to read the events overview sheet, menus, and equipment lists that will be sent out by Daphne Stockdale in December. This information will also be on the Utah FCCLA website. ○ **If you anticipate having competitors in either Baking & Pastry or Culinary Arts, please email Troy Chilcott (troy.chilcott@nebo.edu) & Kelsey Chappell (region4@utahfccla.org), so that we can have an estimated count of participants. (This does not replace online registration, however it is beneficial for planning.)**
Testing Events (Parli, Baking &	○ Testing will use an online platform associated with Nationals called AnswerWrite. **The testing site will be open on January 28-29 from 7:00 am to 10 pm.**

It has urls for students to follow, username, and the password students will use. Please remind students and proctors that testing materials should be kept confidential during and after testing. Participants should only see test questions and are not to discuss them afterwards. If you have any other questions please let me know.
