Hello, it's that time of year again! I hope that you are having success with your FCCLA Chapter and that your students are preparing for the Region 5 Competition that will take place on **Monday, February 8, 2027**. The **registration deadline is Friday, January 22, 2027**.

Registration

We will be using the DLG registration system for the FCCLA Region Conference. This is the same system you have used for Fall Leadership and National Meetings. Students need to be affiliated and invoices paid before you can register them, please plan accordingly. Fill out completely and remember to list those who are competing as a team together. Keep **team members** listed as the **same team number**. Feel free to contact Kathryn Spencer or Aubrey Turnbow Frandsen with any registration questions. **Registration link**

Late registration will be accepted until January 22, 2027, with an additional \$10

Cost is \$25 per student and advisor. \$35 if registration is late.

Advisor Duties

Each chapter will be responsible for at least 1 STAR Event. **You will be responsible to provide the room consultant and judges for your assigned events.** I have tentatively scheduled chapters with similar assignments as in the past. Assignments may need to be adjusted once registration finalizes.

Competition Levels

Please make sure you double-check the correct level of competition. They should compete on the same level they are affiliated with at Nationals. Teams with members from different levels must compete up. Once a student is affiliated as level 3, they remain level 3 in all other affiliations throughout high school.

- Level 1 6-8 grade
- Level 2 9-10 grade
- Level 3 11-12 grade

Culinary and Baking and Pastry Events

Each school may submit 2 Culinary Arts participants per chapter and 1 Baking and Pastry participant per chapter. All students wishing to compete at regions will take industry assessment a week prior to competition day, more information about testing will be sent out after registration. Students will prepare items at the region competition. The top two scores per region will advance on to state. In the case that not all regions statewide have two participants to advance, the top test scores across the state will be used to select an alternative to fill the spot at state. Advisers who plan to compete should make sure to read the events overview sheet, menus, and equipment list. If you have questions about these events please contact Shauna Young shauna.young@canyonsdistrict.org or Daphne Stockdale starevents@utahfccla.org.

State Competition Requirements

Students will **NOT ADVANCE** to state in March if they do not have a score of **70 points or higher**. We are searching for more quality projects and rewarding students for good effort. Please follow the STAR events manual carefully. These guidelines are there to help you and your students. The State Conference is on March 23 and 24, 2027, more information will come from Aubrey Frandsen as the date gets closer.

Forms and Dress Code

Be sure to collect a code of conduct for each student participating. Students should follow the **FCCLA dress code during the entire conference**. Advisers should be in business casual dress. Advisers are responsible to ensure their members follow the dress code. (No jeans, leggings or tennis shoes, flip flops). Students will also be evaluated on FCCLA dress code. Look for dress code rubric on the state website.

If you have other teachers or advisers needing this information, please forward me their email address so I can add them to the Region 5 contact list.

Thank you all for your support, guidance, and friendship. Contact me with any questions.
