The inside scoop into what happening this month.

#FCCLAcareers

FCCLA National Programs and Competitive Events support CTE students’ development of knowledge and skills, enhancing the classroom experience and career pathway initiatives. FCCLA is integrated into FCS and is intracurricular, exposing students to work-based learning, business and industry networks, and industry-recognized certifications.

FCCLA members explore career opportunities and build real world skills by developing projects, engaging and participating in events, and competing regionally and nationally for scholarships and awards. Through participation in FCCLA and exploration of FCCLA’s 4 Career Pathways, members acquire many skills to be college and career ready, including academic knowledge, technical expertise, and a set of general, cross-cutting abilities called “employability skills.”

Officer Spotlight

Hey Utah FCCLA! My name is Kelsee Ure and I'm so excited to be a state officer this year! I love this organization and all the leadership opportunities it has afforded me. This year I am a senior at Clearfield High School. Besides FCCLA, I am debate captain for my school's speech and debate team and I love it! I also work in my school's daycare and am on track to get my Associates degree as I graduate ! I love kids and I love that this organization has a focus on that. I am very academically motivated and would love to be a professor of criminal psychology when I get older. In my free time I enjoy hanging out with my family , watching soccer games , and Netflix . Thank you all so much for allowing me to represent Utah FCCLA and I can't wait to help make this year amazing!
