IMPORTANT NOTES:

- 1.) **Medical/Code of Conduct forms for the students are important. Advisers need a form for each student. Bring the medical forms to the conference and keep them on site. *No conference packets will be released until a responsible participation acknowledgement form is provided.*
- 2.) The **Housing Reservation Form** for the hotel you have selected must be sent directly to the hotel, not to Utah FCCLA. Meeting the March 1 deadline for the **Housing Reservation Form** will guarantee the conference rate and increase the likelihood of availability.
