

# Wasatch Integrated Repurpose and Redesign Scholarship

---

Sponsored By: Wasatch Integrated Waste Management District  
Supporting education, innovation, and a cleaner future.

---

In partnership with Utah FCCLA, Wasatch Integrated of Layton is proud to champion student-led innovations that protect our environment and strengthen our communities.

**We are pleased to offer \$500 scholarships to the 1st and 2nd place winners in Levels 1, 2, and 3 of the Repurpose and Redesign STAR Event.**

These scholarships will support students representing Utah FCCLA this July at the National Leadership Conference in Washington, D.C.

## How to Apply

- Students must compete at region and state in the STAR Event project Repurpose and Redesign.
- Winning students who qualify to attend nationals will receive \$500 each to support project development and competition expenses.
- (Students only receive the \$500 if they are competing at the national convention.)

***Winning students—and their families, advisers, or guests—will be invited to participate in an exclusive tour of the facility.***
