WELCOME BACK MESSAGE FROM NIKKI SUE

Welcome back to school Utah FCCLA Chapter Advisers! I cannot believe that the new school year is here. You can expect to see a monthly adviser newsletter with pertinent information. Our state executive council is excited for this year's theme of "Rise UP and Make It Count". As you begin the year planning a program of work with your chapter officers, it is important to keep in mind the Utah FCCLA State Goals. You can click [HERE](#) to see the state goals.

I know we have great advisers who spend hours planning and creating activities and project to engage students. It is a privilege to be the state adviser of a state association where advisers, students, administrators and parents care for each other and strive to build positive relationships. Please feel free to contact me if you have any questions or need help.

Once again, welcome back! Let's make this year a great year!!
