## Run For State Office!

By: Victor Carrillo-  
Mendoza

Running for a position to be a State Officer will change your life, I know it has changed mine. If you are considering it, do it. If you haven't thought that much about it, think about it.

Serving as a State Officer will give you many opportunities, including:

- Attend Capital Leadership or Cluster National Conferences
- Plan and Run Utah FCCLA Fall Leadership and State
- Plan and Run your region activity and conference
- Visit Chapters
- Advocate for FCCLA
- Gain 10 new state officer friends that are like family

Seriously consider being part of the 2021-2022 State Executive Council.

# Officer Spotlight

Hey amazing FCCLA Members! I'm Mikell Furner, your 2020-2021 Vice President of National Program. I am a Junior this year at Carbon High in Price, Utah. GO DINOS! I like cooking, watching Disney movies, jamming to music, and most importantly waffles. At Carbon I am involved in Student Senate, and I also love to volunteer at our local after school program. I have been a member of FCCLA since 6th grade and I love everything it stands for. Through FCCLA I have had many great leadership opportunities that have shaped me into the person I am today. I've competed in STAR events and gone to Nationals in Atlanta, Georgia and Anaheim, California where I have made life long friends. I'm so excited to get to know you all and serve as one of state offices!!

## Monthly Hashtag

Help us Publicize Utah FCCLA by joining in our social media efforts. When posting on social media site be sure to use the hashtags **#UTFCCLA** so everyone can see what you are doing in your chapters. Also be sure to **"Like"** and **"Follow"** on Facebook, Instagram and Twitter

Want YOUR Chapter on the front page?  
Send in articles, stories, and pictures to get featured!  
We would love to hear from YOU!
