Recap on Virtual Leadership Conference.

By: Victor Carrillo-
Mednoza

Fall Leadership truly was the ultimate leadership experience! We had the incredible honor to have a fabulous keynote speaker, Patty Hendrickson! She taught us on how a leader helps serve others and how to make other people excited! We were also able to hear greeting from our National Executive Council President Supriya Patel. Chapter members also had the opportunity to attend virtual workshops presented by our state executive council. I hope that all of those who attended Fall Leadership were able to learn something new, and become better leaders because of this conference and a huge thank you for attending OUR FIRST VIRTUAL CONFERENCE!

Officer Spotlight

My name is Jane Wolff and I'm your VP of Membership! I'm so excited for this year and all of the unique leadership opportunities it will bring. I can't wait to see how I can further serve my community through this role. I'm a junior at Westlake High School and currently working on my associates degree. I love to play the viola, cook and watch TV. I love to paddle board swim. I also love bingeing Netflix and eating cheetos
