FALL LEADERSHIP WRAP-UP

We had a great Fall Leadership Conference! It was great to see chapter advisers and officers from around the state. Kent Juilian, the keynote speaker, gave some great tips on becoming the best officers for the year. The state officers presented various workshops with information that chapter officers can take back to their chapters. I have seen students change their lives, their family's lives, and their communities. We sold enough socks at Fall Leadership for our state service project to raise funds for not just one leg, but two! A boy named Rafiew is now walking on two new legs again and dreams of becoming a doctor so he can help others just like he has been helped.

As advisers, you are making a difference, one person at a time. Thank you for helping your students to improve their lives. Your many hours do not go unrecognized. This organization would be nothing without your selfless hours or dedication and love for students and this organization.

Please go [HERE](#) to fill out a survey about your Fall Leadership experience.
