Registration Details

- ★ This year we are having only **one registration that includes culinary and region**. All schools must register for the entire region 3 conferences when they submit Culinary Arts and Baking & Pastry registration by January 28th This registration should all be submitted in one payment (if possible)
- ★ Registration is \$20.00 per person. Registration is **Due January 28th** Request a check to be made out to **Utah FCCLA** for the total amount. Remember a late registration fee of \$5.00 will be charged per person, late registration is **Due February 4th**. Registration will not be accepted after the 4th.
- ★ You can make payments via check made out to Utah FCCLA (Send to Troy Chilcott) or credit card via PayPal, link posted on DLG in registration. DLG cannot send a receipt for the payment. They can only generate an invoice.

ATTN: Troy Chilcott
Region 3 FCCLA
427 S 100 W
Price, Utah 84501
- ★ Region STAR Event registration and State STAR event registrations are now done with the **National DLG Registration System**. This is the same system you have used for Fall Leadership, National Clusters, and region and state last year if you were able to attend. Feel free to contact myself or Nikki Sue with any registration questions. This is the website for registration <https://www.registermychapter.com/fccla/ut-r3> I will get competition list directly from DLG this year.
- ★ All students and advisers who are attending Region 3 must be registered, even if they are not competing in a STAR Event. Please check spelling of names CAREFULLY. This pulls from your National Affiliation, so if you need to fix spelling, please go into your affiliation page and edit the spelling of your student name. **(Please remember to include the advisers attending in the registration as well. All advisers must be affiliated through National FCCLA)**
- ★ **Please fill out completely and remember to list those who are competing as a team together.** If they are competing as an individual you still list them as a team, but just including that individual's name.
- ★ **Remember that all students must be nationally affiliated in order to compete Region or State. Affiliation deadline is February 1st. Our registration is due January 28th, so all affiliation at Nationals should be done before then.**
- ★ No additional students will be allowed to compete if they are added after the deadline **(February 1, 2022)**.
- ★ Lunch will be served at the Cannon Center, for all students and advisors. Chapters must provide their own transportation to the Cannon Center or allow walking time (20 minute walk).

Reminders:

1. Once a student is affiliated as occupational, they remain occupational in all other affiliations throughout high school.
2. Keep team members listed as the same team number. Example Team 1
3. Students should follow the FCCLA dress code. Red, black, white or khaki. Advisers should be in business casual dress. (No Jeans, leggings or tennis shoes, flip flops) Show by example how to dress professional and follow the dress code. Our students watch us.
4. Help your students make it to state!
 - Students will **NOT ADVANCE** to state in March if they do not have a score of 50 points or higher. We are searching for more quality projects, and rewarding students for good effort.
 - Please follow the STAR events manual carefully. These guidelines are there to help you and your students. If you do not have a STAR Event manual, it may be downloaded from the national website www.fcclainc.org. Look under Programs; Competitive Events; STAR events. You may download individual STAR events to print if you do not want to print the whole manual.
5. Make sure students sign the FCCLA **code of conduct**. Please make sure that each student has turned one back into you, and that you also have parent permission for them to attend.
6. Please refer to your district's travel policy for liability issues.
7. Students are **not** allowed to drive themselves to the conference.
8. Print off a map of the Harman Center for those of you who are not familiar with the conference center. You can find this online at www.utahfccla.org under the conferences tab and Region 3.
9. It is cold in February, so warn your students to wear warm clothing and comfortable shoes since they will have to walk to lunch.
10. State Convention is on **MARCH 22-23, 2021** at the Davis Convention Center in Layton.
11. Every school should have signed up to help with Region 3. Please check online to see what your assignment is or to volunteer to help. Please feel free to contact Troy Chilcott, chilcott@carbonschools.org, to discuss changes or concerns. I will be notifying each school with the numbers of STAR events participants in your area so that you can plan for judges accordingly weeks before competition. Since registration is so close to competition it is wise for most events to plan on 3 judges.
12. Each Advisor will be in charge of an event or two (or three depending on our numbers), and act as a room consultant. **This is a great experience that helps you learn the ropes of FCCLA to better help your students. You will need to recruit 3-6 judges for your assigned STAR Event(s).** We still need spots filled, so I will be asking and assigning schools to help.
13. If you have a question about your event(s), feel free to Troy Chilcott @ 801-897-7698 or chilcott@carbonschools.org.
