<p>Culinary Arts & Baking/Pastry Competitions</p>	<ul style="list-style-type: none"> ○ Nationals have made big changes to the Culinary Arts & Baking/Pastry competitions. Both of these events are now run as individual events, not teams. State competition will follow the guidelines for the National competition. ○ Each chapter is allowed two individual competitors for Culinary Arts, and one competitor for Baking and Pastry. ○ All students competing in these events at region will take an industry assessment one week prior to competition day. (More information coming after registration). ○ Both the Culinary Arts and Baking & Pastry competitions will be held at Lone Peak High school. Baking and Pastry will be held on Friday, February 11 after school. Culinary Arts competition will be held Saturday, February 12. We realize that this is the ACT testing day. If many of our participants are affected by the test, we will reevaluate to accommodate. ○ All competitors must be accompanied by an adult (parent or adviser). This includes students that are 18. ○ The top two scores per region will advance to state. ○ In the case that not all regions statewide have two participants to advance, the top test scores across the state will be used to select an alternative to fill the spot to compete at state. ○ Advisers who plan to have competitors in these events should make sure to read the events overview sheet, menus, and equipment lists that was sent out by Nikki Sue as well as attached to this email. ○ If you anticipate having competitors in either Baking & Pastry or Culinary arts, please email jessica.knotts@nebo.edu so that we can have an estimated count of participants. (This does not replace online registration, however it is beneficial for planning.)
