**San Diego, CA**  
**June 28 – July 4, 2022**

**Greetings Utah FCCLA!**

We look forward to working with you again this year!

**Utah Housing STG Online Booking Form**

The cost of your program is based on the type of accommodations you request. A price breakdown is included in this document and will provide the costs for a single, double, triple, quad, based on a 6 night stay at hotel, to be assigned. Please visit our website for easy access to our STG Online Booking Form. I understand that all room type selections are not guaranteed. If the hotel is unable to accommodate request, an invoice with the add/collect amount will be sent.

Once you have submitted the STG Online Booking, we will respond within 2 business days with an itemized invoice/confirmation. Please check this for accuracy! If you're going to have roommates from another school, please put their names in parenthesis. This will prevent an error in calculating your program cost.

**Payments and Deadlines**

**All STG Online Booking Forms MUST be submitted by April 8.**  
**A \$300 per person deposit is due by April 22.**  
**All money is due by May 13.**

NOTE: A Purchase Order is accepted as a guarantee of payment. However, the actual money must be received by the due date of May 13.

**Utah Delegate Packet**

Your Utah Delegate Packet will include a white button up shirt, 15 state pins, and a backpack. You will find a place on the STG Online Booking Form to order additional pins and shirts. Extra state pins are \$12.00 for 15 – sold only in groups of 15. If you want extra white button up shirts, the cost is \$25 each. You'll have a place on the booking form where you can make this selection.

**Documentation**

Each school will receive an electronic document packet from STG Travel. Included in your packet is instructions for room key distribution.

If you have any questions, please send us an email.
